

SPONSOR US!

CYBOTZ ROBOTICS

Our mission:

Our mission is to **inspire people** to pursue STEM and robotics by sharing our **journey and knowledge from FIRST**, while envisioning a future where every aspiring student can **discover their passion** in robotics and find a clear path to success.

Why Sponsor us?

We need your support to build robots that not only compete in national competitions but also help us conduct outreach programs and educational events. We want to eliminate team fees to make robotics accessible and fund our team meals. Your sponsorship will directly contribute to advancing robotics education and making a meaningful impact for students in our community. **YOU can help us get there!**

OUR IMPACT

- 20,000+ Students Impacted
- 56 FIRST Teams Helped
- 15 countries reached
- 12 States reached in the US
- 57 Combined Years of FIRST Experience!

SPONSORSHIP LEVELS

\$100	Name and Logo on our Website
\$300	Advertisement on our Website and Logo on Robot and Pit Display + Above Benefits
\$500	Shoutout on our social media + Above Benefits
\$1000	Become our main sponsor and appear (name and logo) on all of our team components + Above Benefits
